Secretary of the
Numismatic Society
of America.

Dear Sir:-

Will you inform me something about the above named Society? Do you buy old coins and money? If not where can I get reliable information about the value of some I have? There are numerous companys advertising for them but how can one know if they are getting a square deal? The few I have may not be worth much but it would be some satisfaction to know.

A reply will be gratifuly received.

Yours Sincerely

Leona M. Parsons.
